PAGE THIRTY-FOUR

Panel 1

Splash page. This is a large garden. Alice will be standing just in front of a passageway and a closed door that leads into the garden. In front of her is a large rose tree. Most of the roses are white, but there are three gardeners surrounding the tree painting the roses red. The gardeners are actually playing cards. Their bodies will be the actual card, looking exactly like it would in a regular size deck. They belong to spades. But they will have arms and legs protruding from the corners of the cards and a head protruding from the top. They will each be wearing a cowl on their head. They will also each be holding a small bucket of red paint in one hand and a paintbrush in the other. One of the gardeners will be the two of spades, one the five of spades and one the seven of spades. The two of spades has red paint splashed on him. The other details of the garden should be the same as on page four, with fountains and bushes and flowers and some little pathways. The three gardeners are arguing with each other.

- 1 TWO OF SPADES Look out now, Five! Don't go splashing paint over me like that!
- 2 SEVEN OF SPADES: That's right, Five! Always lay the blame on others!
- 3 FIVE OF SPADES: You'd better not talk! I heard the Queen say only yesterday you deserved to be beheaded.

You can call us on 26348225 if you have any questions. Remember to submit your illustration by Wednesday 30th September.

The best entry will be judged by a panel of illustrators. The winner will receive 5 Campfire graphic novels of their choice.
